DOT MATRIX DISPLAY

This ultimate interactive display offers up three pirate video modes that will have landlubbers throwing knives, swinging from riggings and walking the plank!

WHIRLPOOL RAMP

Spiraling through the Whirlpool Ramp advances the scoring level all the way to Extra Ball or Million!

DAVY JONES' LOCKER

Making the explosive 3-bank torch, gun powder and cannonball targets and consecutive shots up the Locker Ramp opens Davy Jones' Locker to load the cannon!

CANNON

Firing the cannon at the flashing jewels and treasure targets lights the letters in S-I-N-K S-H-I-P. When all are lit, a Broadside shot sinks the enemy ship for a whopping 10 million points that increase with every direct hit!

PIRATE'S COVE/JACKPOT RAMP

Full speed ahead into a flashing Pirate's Cove locks balls for 2 or 3-ball Multi-Ball® play! Shoot the Jackpot Ramp to collect big points!
